

**UNITED STATES DISTRICT COURT  
DISTRICT OF MINNESOTA**

---

United States of America,

Case No. 21-cr-93 (JRT/TNL)

Plaintiff,

v.

**ORDER**

Robbin Allen Thomas,

Defendant.

---

This matter comes before the Court on Defendant Robbin Allen Thomas's Second Motion for Extension of Time to File Pretrial Motions. (ECF No. 29.) Defendant has also filed a Statement of Facts in Support of Exclusion of Time Under the Speedy Trial Act. (ECF No. 30.) Defendant requests a two-month extension of the motion filing deadline because he "has been focused on an appeal of the detention order and is awaiting medical records." (ECF No. 29 at 1; *see also* ECF No. 30 at 1 (noting that these medical records have been ordered).) Defendant also states that he needs additional time "to review discovery and discuss potential pretrial motions" with his counsel. (ECF No. 30 at 1.) By way of e-mail correspondence, the Government indicated that it does not object to this motion.

Additionally, beginning on March 13, 2020, and continuing thereafter, the Honorable John R. Tunheim, Chief District Judge for the United States District Court for the District of Minnesota, has issued a series of General Orders in connection with the

COVID-19 pandemic, addressing, among other things, criminal proceedings and trials.<sup>1</sup>

On April 29, 2021, Chief Judge Tunheim entered General Order No. 28, which allows limited in-person proceedings to start on May 3, 2021, for defendants who decline to consent to conducting the proceeding using videoconferencing, or telephone conferencing if videoconferencing is not reasonably available. *See generally In re: Updated Guidance to Court Operations Under the Exigent Circumstances Created by COVID-19*, Gen. Order No. 28 (D. Minn. Apr. 29, 2021). General Order No. 28 states that because only limited in-person proceedings may be held each day, criminal proceedings may be continued until the date that the criminal proceeding takes place.

General Order No. 28 continues to encourage the use of videoconferencing in criminal proceedings and states that, with the defendant's consent, criminal proceedings will be conducted by videoconferencing, or telephone conferencing if videoconferencing is not reasonably available.<sup>2</sup> General Order No. 28 further provides that the presiding judge will enter orders in individual cases to extend deadlines and exclude time under the Speedy Trial Act to address delays attributable to COVID-19. **Accordingly, should Defendant file pretrial motions, counsel shall also file a letter indicating whether Defendant consents to a motions hearing by videoconference. (See also ECF No. 14; ECF No. 28 at 2.)**

<sup>2</sup> See also General Order No. 29, which went into effect on June 23, 2021, vacated General Order No. 27, and extended the Court's authorization to conduct certain criminal proceedings via video or telephone conference pursuant to the CARES Act “[b]ecause the emergency created by the COVID-19 outbreak continues to materially affect the functioning of court operations in the District of Minnesota.” *In re: Updated Guidance to Court Operations Under the Exigent Circumstances Created by COVID-19*, Gen. Order No. 29 (D. Minn. June 17, 2021).

Pursuant to 18 U.S.C. § 3161(h), this Court finds that the ends of justice served by granting a continuance outweigh the best interests of the public and Defendant in a speedy trial and such continuance is necessary to provide Defendant and his counsel reasonable time necessary for effective preparation and to make efficient use of the parties' resources.
